*Tired of seeing your tax dollars wasted?*

**It's time to do something about it!**

**Become a BGA Citizen Watchdog!**

**Join us for two free training sessions this month.**

**Citizen Watchdog Training** teaches you how to keep an eye on government. Veteran investigative journalists, professors and legal professionals share their watchdog tricks of the trade.

You'll learn about the structure of government, basic journalism skills, and the ins-and-outs of the Freedom of Information Act. Plus, you'll hear from whistle-blowers who exposed corruption and demanded change.

We'll work with you to investigate government waste and corruption, and we'll show you how to advocate for reform.
